*There is no such thing as a safe abortion.
 With every abortion, a child's life is ended.*

Every day in America, over 3,000 babies die under the guise of protecting a woman's right to choose. Over 53 million babies have been killed in our country since Roe v. Wade made abortion legal.

Help us fight this battle for those who cannot yet speak for themselves. Every child has the potential to become our next great leader, scientist, politician and parent. It's heartbreaking to know how many millions of lives have been ended and how much potential has been lost. Help us continue to promote the **RIGHT to LIFE.**

DID YOU KNOW in INDIANA
